

MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Air Force Institute of Technology's
Request for a Briefing

REFERENCE : Letter dtd 12 Dec 72 to Ex Dir-Compt
fr Dept of the Air Force, same subject

1. In reference to the request for you to speak at the Air Force Institute of Technology I suggest that you designate someone else to do it. This does not appear to be an activity which would require a speaker at your level to represent the Agency -- as is the case with FBI or one of the war colleges -- unless, of course, you have a personal inclination to visit Wright-Patterson AFB.

2. There are several people who could discuss Agency responsibilities and activities who could, at the same time, highlight the S and T aspects of intelligence. Audience questions are likely to be focused on that subject. Among those well qualified to handle this assignment are Carl Puckett, Sayre Stevens, [redacted]

3. If you prefer to keep this presentation more general in scope I would suggest [redacted] of OTR as a speaker. He is fully experienced in coping with groups of this kind.
